

Montirius « Minéral » 2015, Vacqueyras Blanc – 88/100

Bright light golden colour. Sweet and generous nose of lemon confit, stone fruit and floral hints. Good purity, medium weight with fine extract, bitterness, bright lemon and lime with some yellow fruit and a fresh finish with pure flavours and good length. Nice and pure style.

Montirius “Le Clos” 2015, Vacqueyras Rouge – 91/100

Medium to deep ruby red. Open nose, very fruit forward and pure with fresh cherry, plum and fine spices like pepper, clove and ginger. The palate has good weight and polished texture, fine backbone of acidity and fine tannin, really juicy fruit with crushed red and dark berry fruit sprinkled with pepper and clove, delicious supple finish. A vin de plaisir, yet with good structure and weight.
